company background

design and production:

Since its inception in December 1995, StarScribe Productions has worked on marketing material for some of the most recognisable financial brands in the world including, Lloyds, Nationwide, Alliance & Leicester, Barclays, Bristol & West, American Express and Barclaycard. And in Australia: BT Funds Management, Westpac and Commonwealth Bank.

Our work with these major brands utilised over 30 years of award-winning experience in design and copywriting for print, direct marketing and on the web.

video projects:

In December 2000, StarScribe entered the world of video production. With an emphasis on creativity, we have provided unique video concepts and services for the broadcast, corporate and consumer categories – from Australia to the United Kingdom.

StarScribe produced, part-financed and wrote *Famous Lost Words* – a documentary about famous people with stutters. We also created *popStaff* – pop music videos starring office staff.

Our consumer products include *starEvents*, *kidzLife* and *popKidz*.
